## Pomeroy Philatelic Society

2026 marks the 140<sup>th</sup> anniversary of Toledo's first stamp club, the Pomeroy Philatelic Society, established May 6<sup>th</sup>, 1886. Successor clubs were the Toledo Philatelic Society, and the present Stamp Collectors Club of Toledo. The Pomeroy Philatelic Society was the second club to join American Philatelic Assn. (later American Philatelic Society) later that same year.

**The 250<sup>th</sup> Anniversary of the United States of America**

Normally this section of the program would contain information on the show theme for this year as many of the show's attendees may not be aware of the history behind the show theme. Since everyone is aware of the basic history of our country we thought we would tell the story with philatelic material issued to commemorate different events over our 250 year history.
